

# To do P1 Replication

---

## Main Results

---

### Tables

#### Table 1

*pilotsDescription.do* Is what I have so far. I need to put excel more things (dates for example) and redo the xlsx file that produces the format

#### Table 5

*te\_p3\_updating.do* does it. Missing xlsx to provide format.

#### Table 7

*welfare42monthsP1P2.do*. Need to check changes done by Chris

#### Table 8

*P3welfare.do*. Missing xlsx to format table.

### Figures

#### Figure 1

*Fig1\_amount\_plots\_rep.R* Need to run it.

## Appendix A

---

### Tables

#### A4

*balance.do* Need to check missing P1 observations. Maybe there are issues with the new casefiles.

#### A5: Fit assessment of the calculators (discrete)

*calc\_predictions.R* (NO SE HA CORRIDO)

#### A6: Fit assessment of the calculators (continuous)

*calc\_predictions.R* (NO SE HA CORRIDO)

### Figures

#### FA1: Covariate distribution comparison HS vs P1

*covariate\_plots.R* and *covariate\_plots\_hd.R*

#### FA3: Covariate distribution comparison HS vs P2

*v\_covariate\_plots.R* and *covariate\_plots\_hd.R*
